Dear Diane,

Kathie and I both want to thank you for the outstanding job that you did with our new office building. We are constantly getting compliments regarding the color schemes and complete interior decorating job that was done here.

The most amazing part of the work that was done by yourself and your company was that the dates that we discussed in regards to the job being completed were right on schedule.

Your expertise sure helped us out immensely in making a tough job so much easier. Wishing you and your family the best of health and luck in the future I am

Appreciatively yours,

John DeLucia
