Dear Dyane:

I wish to thank you for the prompt and courteous service you extended me during our recent renovations of Mr. D'Addario's office.

The hectic pace of meeting deadlines was made easier by the speed and efficiency with which you handled our account. Having a person like you in the industry is an asset appreciated by those of us looking for quality service, price, and speed.

I will be looking forward to doing business with you in the future.

Very truly yours,

D'ADDARIO INDUSTRIES
