Dear Dyane:

The late summer one week maintenance closing to refurbish the facility is now complete. The YMCA has never looked so good in the eyes of our members.

We would like to acknowledge the outstanding professionalism provided by your firm. The genuine interest in the type of "look" we were trying to achieve, the timely submittal of a very competitive bid, the flexibility demonstrated in scheduling the work around that of other contractors, and most of all, the workmanship of the carpet installation were all outstanding.

Shadee Lady met or exceeded all of our expectations. We thank you for an excellent job and will not hesitate to include you on bid lists for future projects.

Sincerely,

Robert W. Lapp, ACPD
